Dear [insert name]

Thank you for supporting my efforts to fundraise for Multiple Sclerosis Australia – ACT/NSW/VIC. I am very proud to report that I raised [\$insert amount] through my [insert activity/event] in support of people living with multiple sclerosis.

This money will help MS Australia offer increased support and assistance to all people affected by multiple sclerosis.

This has only been made possible through your generosity and others like you in supporting such a fantastic cause.

Multiple Sclerosis is a disease of the central nervous system affecting more young adult Australians than any other neurological condition. Funds raised will go towards providing a wide range of equipment, support and services to those people affected by this devastating disease.

On behalf of myself, MS Australia (ACT/NSW/VIC) and every person who will benefit from your support – thank you!

Kind regards,
